and American Army Sur-
geons to Cut Short a Cold
and Prevent Complications.

structed to Refund Price

If Relief Does Not Come
Within Two Minutes.

Delightful Taste, Immediate
Relief, Quick Warm-Up.

The sensation of the year in the drug
trade is Aspirinol, the two-minute cold
and cough reliever, authoritatively
guaranteed by the laboratories tested,
approved and enthusiastically endor-
sed by the highest authorities, and
proclaimed by the common people as
ten times as quick and effective as
whiskey, kool-aid, or any other cold
and cough remedy they have ever tried.
All drug stores are now supplied with
the wonderful new elixir, so all you
have to do to get rid of that cold is to
step into the nearest drug store, hand
the clerk half a dollar for a bottle of
Aspirinol, and tell him to serve you two
teaspoonfuls of water in a glass. With your watch in
your hand, take the drink at one swallow
and call for your money back in two
minutes if you cannot feel your cold
fading away like a dream within the
time limit. Don't be haphazard for all
druggists invite you and expect you to
try it. Everybody's doing it.

When your cold or cough is relieved,
take the remainder of the bottle home
to your wife and babies, for Aspirinol
is by far the safest and most effective
remedy to take and the most agree-
able cold and cough remedy for infants
and children.

NEGLECTING THAT COLD OR COUGH?

Why, When Dr. King's New
Discovery So Promptly
Checks It

It's natural you don't want to be care-
less and let that old cold or cough drag
on or that new attack develop seriously.
When you can get such a proved
successful remedy as Dr. King's New
Discovery.

Cold, cough, grippe, croup does not
resist this standard reliever very long.
Its quality is as high today as it always
has been—and it's been growing steadily
in popularity for more than fifty years.
60c and \$1.20 a bottle at all druggists.

Constipated? Here's Relief

Not that often harmful, always violent
and temporary help that comes from
harsh purgatives, but the com-
fortable, gratifying, corrective regula-
tion of stubborn bowels as pronounced
in Dr. King's New Life Pills.

Tonic in action, they promote free bile
flow, stir up the lax liver, thoroughly
but gently cleanse the system of waste
matter and fermenting foods, and give
you keen set for hard work and cheer-
ful recreation. All druggists—25c, adv.

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Back-
ache or have Bladder
trouble.

Meat makes uric acid which excites
and overworks the kidneys in their ef-
forts to filter it from the system. Regu-
lar eating of meat must flush the kid-
neys occasionally. You must relieve
them like you relieve your bowels, by
moving all the uric acid, waste, and poison
else you feel a dull misery in the kid-
ney region, sharp pain in the back
or side, headache, dizziness, your stom-
ach sour, tongue is coated and when
the weather is bad you have rheu-
matic twinges. The uric acid clouds
full of sediment, the channels often get
irritated, obliging you to get up two or
three times during the night.

To neutralize these irritating acids
and flush out the body's uric waste
combine with little bit of lemon juice
or other fruit juice. The uric acid
when you take a glass of water before
bed for a few days, uric acid will dis-
appear. This famous salt is made from
the acid of grapes and lemon juice,
combined with little bit of lemon juice
and used for generations to clean and
stimulate sluggish kidneys and stop bad
diseases. It is harmless and makes a
delicious drink. It is a powerful
uric acid solvent and a powerful
uric acid solvent.

CHURCHMEN EXCEED NATION-WIDE QUOTA

Reports thus far available of the sub-
scriptions being made to the nation-
wide fund of the Episcopal church in
America, by members of the local par-
ishes, indicate that nearly every congre-
gation will have oversubscribed its
quota before the end of the week.

The Memphis churches and missions
are asked to subscribe about \$6,000
to this fund, which is being raised in
installments. Most of the parishes
have also increased their budget ex-
penditures for the coming year and these
subscriptions are being secured at the
same time as those for the nation-wide
fund.

The latter fund is to be expended un-
der the direction of the newly created
general council of the church, of which
Bishop Doane is president. They will be
used in the general church extension
movement, in general mission work,
and a large sum will be set aside for
the new social service work which the
church as a whole will undertake as
part of its work in the future.

Calvary and Grace churches have
reported that their allotments of the
nation-wide fund have already been
oversubscribed. The other parishes be-
gan their canvass a week later and will
not have their reports in until next
week.

Bishop-elect James C. McKim
preached Sunday morning from his old
pulpit at St. Mary's cathedral. Although
he has been rector of Christ church at
Madison, Wis., for several years, his
friends in Memphis still claim him as
a Memphis man, as he was born in the
cathedral for more than 15 years.

STEEL STRIKERS PREPARING FOR 4 YEARS' STRIKE

WASHINGTON, Dec. 15.—As a result
of the almost unanimous decision of
the national committee of organized iron
and steelworkers to continue the strike
of steelworkers, leaders of the unions
today were going ahead with plans for
an active field campaign, which they
said would be carried on for at least
four years.

Members of the committee, which is
composed of 24 presidents of labor
unions connected with the steel indus-
try, conferred here last night and it
was at this conference the decision was
reached. Chairman John Fitzpatrick
stated that the strike was the most
thoroughly planned in the history of the
movement.
